Free Trial Days

The College offer free trial days to help potential students find out if full time vocational training is the right step for them when they leave school. It's a great way to meet other 'like-minded' people.

Students attending the trial day will have a timetable of classes in a variety of disciplines and NO experience is necessary! Trial Day students will get a question and answer session with some of CPA's current students and they will get to see them perform a showcase piece. The tutors teaching on the Trial Day will be resident College faculty alongside guest tutors from TV & the West End. The Trial Days are open to anyone in year 10 or above.

Available trial day dates for your diary are:

Thursday 24th February 2011

Tuesday 31st May 2011
